Designer Cakes

PRE-DESIGNED MENU

To offer you ease in ordering, we have a menu of pre-designed cake styles that range widely in style. This allows for an efficient single personal consultation (which is optional) to conclude your cake decision.

COLOR CHOICES

We can fit our cakes into your color-scheme. Inform us of your colors being used for flowers, decor, or dresses and we can suggest a palette that is sure to coordinate.

Swatches are helpful.
